reexamination certificate; is reissued; or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer.

It is agreed that any patent granted on the above-identified application shall be enforceable only during the period that the legal title to this patent is the same as the legal title to the prior U.S. Patent No. 6736106.

This agreement runs with any patent granted on the above-identified application, and is binding upon the grantee, its successors, and/or its assignees.

The fee for this Terminal Disclaimer (\$65, 37 CFR § 1.20(d)) accompanies this document. The Commissioner is authorized to charge any fees or credit any overpayments relating to this application to deposit account number 18-2055.
